Each P.O.C. (Point of Contact) for each Installation can get the block code to reserve rooms for the Asia Region Conference by contacting Lauren Dillard at AsiaAdmin@pwoc.

The room rates for the conference at Dragon Hill Lodge are below:

- (E1 - E5) \$59.00
- (E6 - O3) \$70.00
- (O4 and above) \$82.00
- (Civilian/ Retired) \$82.00
- (Extra person charge) \$19.00 per person who is 18 years and older

Double and Triple Occupancy only available.

"The rooms available through this site are based on a standard room featuring one queen-sized bed and one double-sized pull-out sofa. If you need a non-standard room, please let your P.O.C. know so she can reserve rooms with your needs taken care of at The Dragon Hill Lodge.

Gate entrance/access to US military installations in Korea

All visiting personnel active duty and retired, DoD civilians can gain access to the installations by **showing their DoD identification cards. Please bring 2 forms of picture I.D. (your Military I.D. and Passport will suffice) Korean and Japan nationals can use their passports and National I.D.**

If the visiting personnel active duty and retired, DoD civilians want to **invite/usher non-DoD personnel** onto a US military installation in Korea, it is a requirement to be registered in the US military installations' Biometrics Identification Detection System, referred to as BIDS Installation Access System. The DoD personnel must register "in person" at the BIDS offices. The procedure is to input the DoD sponsor's data and record the thumbprint into the BIDS electronic system.

Pass and ID Requirement

*Pass & ID, Provost Marshall's Office (BLDG. 1230), at Camp Kim near Yongsan Army Installation. The office is open Monday - Friday from 0830 - 1600, except for Thursdays 1200-1600

FYI, for Yongsan Army Installation, non-DOD personnel are permitted to remain on post up to 24 hours. Once the visiting personnel active duty and retired, DoD civilians are registered in BIDS they can sign on non-DOD personnel. They must meet the non-DOD personnel at the installation gate and the guest must return to the registered gate prior to the 24-hour time frame. At that time, the guest will have to be registered "off the installation" and can be re-registered "on the installation" for an additional 24 hours. This procedure must be done each day during your stay in the hotel.

Mandatory Ration Control Plates

If you are not an Active Duty soldier or spouse and assigned to Korea, the US military Post Exchange, Commissary, or Shoppette at The Dragon Hill Lodge requires a Ration Control Plate. Access is restricted!
